SAYS ROOSEVELT

Be Good Under the New Inspection Law.

WASHINGTON: July 2-Secretary vacation until be has completed

"The Federal stamp upon the can will be a guarantee not only of the healthfulness of the animal, but also that the product was prepared in eanitary surroundings, and with the addition of no deleterious chemical or preservative. Any ment food product bearing the Government stamp will be fit. Had Music, a Wrestling Material or food.

for food.

"With this law in operation it may be accepted as a fact that for health-fulness and purity the prepared or cameo product will compa e favorably with the fresh meat of one United States, which is and always has been the finest in the world.

"The new law is comprehensive, the means for its enforcement are ample, and its execution will be thorough. People at home and abroad may use our meats in confidence."

BRITISH INSPECTOR ASKS WILSON'S AID.

WASHINGTON, July 2.-Lieut.-Col. P. E. F. Hobbs, of the British Army, to-day visited Secretary Wilson, with a restiguting American meat products. Col. Hobbs was assigned to the commissary department of his ermy to in-quire into contracts which the British dovernment has with American pack-
